Carolyn and Wayne-

We will get the notices out for 8 am pacific HGL call and 10 am pacific BCT call on July 20th. BCT call would end by noon.

Any preference for August on site meeting date - 8/16, 8/17, or 8/18?

Thanks.

Cathy

Carolyn-

We are trying to switch the July BCT meeting on the 20th to conference calls and switch the August conference calls to a meeting on either 8/16, 17 or 18.

Would it work with your travel plans to have the HGL call on July 20th at 8 pacific and then one BCT call 10-12 pacific?

Thanks.

Cathy

If July BCT is cancelled, July 20 teleconference can work if we end before 11; I will probably be flying in for the interagency meeting with ADEEQ in the afternoon.

July 20 conference call to discuss HGL response to comments is OK.
I may be involved in an ADEQ/EPA inter-agency meeting scheduled July 21-22.
August dates week of Aug 15 seem OK for on-site BCT meeting.

Wayne and Carolyn -

Kimberly from HGL has been out this week, but I am hoping we can have the call with HGL to discuss the RTCs on 7/20 or 7/21. Carolyn said she is tied up the morning of the 21st.

Our onsite July BCT meeting on July 20th will be changed to conference calls as the new EBR well results will not be available until August. As of now we would like to have the onsite meeting in August when the results will be available (the week of Aug. 15th which is when the monthly call is scheduled). Is an onsite meeting the 16, 17 or 18 doable for you?

I will check with HGL next week, but hope we can have the HGL call at 8 am pacific on the 20th (BCT calls would be at 10 and 1 pacific) or during the afternoon of the 21st, perhaps 1 pm pacific.

Please let me know if there are conflicts with any of these suggested dates.

We will send a schedule update out next week for the HGL call and upcoming BCT calls.

Thank you.

Cathy

Wayne and Cathy

I will be on vacation the following week the 25th through the 30th of July. I have the window between the 19th and 22nd available, with exception of morning of the 21st. Otherwise the first week in August is open.

Wayne -

Thanks for the heads up.

We will try to get info out in the next couple days on whether there will be any change to our scheduled July 20 BCT meeting.

I sent out the RTC for HGL's report and requested a call around July 11th. Should we set it up after your return - July 19th or later?

Thanks.

I will be out of office Mon. July 4, 2016. I will also be out of office from Friday, July 8 through Monday, July 18, 2016. I will return Tuesday, July 19, 2016.

I will not be able to access email. My destination cell phone service will be sporadic, at best. You can try my cell number 480.227.8238, but past experience has shown that reception is minimal, and text and voice message delivery will be severely delayed due to carrier signal limitations.
